1

The owner of contract can to modify a 'liquidity fee', a 'marketing fee', a 'DOGE fee' and a 'BTC fee' to any percentage at any time

2

This might deter investors as they could be wary that these fees might one day be set to 100% to force transfers to go to the owner

3

The owner has ability to exclude and include accounts from transfer fees and reward distribution at any time

4

The owner can update a 'ClaimWait', a 'DOGE Dividend Tracker' and a 'BTC Dividend Tracker'

We strongly recommend that ShibBTC conduct Full Token Security Audit to ensure trust in the team as they have notable control within the ecosystem
